### Other teaching experience

Supervised the postdoctoral work of Fuat Keyman, 1994-96, and Seiji Endo, 1996-97.

Served as an external member of doctoral students at the University of Amsterdam, Australian National University, Brandeis, Brown, Carleton, Dalhousie, University of Massachusetts-Boston, University of Newcastle, University of Southern California, and York (Ontario), and as examiner in the honors program at Bates College.

With 12 other faculty members, taught an experimental interdisciplinary program for first year students funded by the National Endowment for the Humanities and the National Science Foundation, 1995-97. The program included four parts entitled: "Origins," "Development and the Question of Progress," "Colonialism and Resistance," and "Global Limits."
